Detached summer room/stre to rear and associated hard and soft landscaping.	Great and Little Kimble cum Marsh Parish Council have previously objected and the applicants have made some attempts to address the comments made. However we feel that the proposed new building is still tantamount to a separate dwelling and so would like to ask for a constraint that it is ancillary to the main building and cannot be converted to a separate dwelling in future.	15/02/2024	Planning was refused. Now appealed on 14/10/2024

**AWAITING DECISION**

23/05588/FUL	29/03/2023	Lake House Marsh Lane Marsh Buckinghamshire	28/04/2023	Demolition of workshop, stable, garage outbuildings and removal of a static caravan, and the erection of a bungalow with associated hard and soft landscaping and surface water drainage treatment	The Parish Council strongly object to this application. We have serious concerns about new residential development immediately adjacent to a large site (same ownership as applicant) known to have been the subject of substantial unauthorised dumping of waste material. The applicant should provide evidence to confirm there are no contamination issues that could affect the health of future residents before this application can be considered or progressed	15/04/2023	
22/07341/FUL		The Lodge Marsh Lane Marsh Buckinghamshire HP17 8SP	31/10/2022	Householder application for construction of timber framed and timber clad outbuilding for use as workshop and gym (retrospective)	On behalf of Great & Little Kimble-cum-Marsh Parish Council we strongly object to this retrospective application. Marsh Lodge has an extensive planning history and the original consent for residential use was conditioned at appeal to remove permitted development rights and prohibit further buildings within the site due to flood risk on the property and impact on neighbouring properties. The property sits within the flood zone of Bonnybrook and is known to flood. The Flood Risk Assessment submitted is not a technical document by a qualified expert and should be re-titled on the planning portal. A formal FRA should be requested from the applicant to establish if the development has any impact on the flood zone – for the sake local residents, no impact can be considered acceptable. We do not support the planting of conifer trees for screening and request that any screening, if consent is granted, should be with native species for positive ecological benefits. <b>Letter written 19/01/2024 re appeal against enforcement notice. Dear Mr</b>	16/10/2022	Application refused 30/05/2023 but leaving on here as that only relates to part of the structures. Need to keep sight of enforcement etc. <b>Enforcement Notice issued 24/11/2023. Appeal against enforcement notified on 18/01/2024 and comments required by 02/02/2024. Receipt of objection</b>

23/08171/FUL	18/01/2024	<b>Holly Tree Farm, Lower Icknield Way, Great Kimble.</b>	15/02/2024	Demolition of existing buildings, erection of 7 x residential dwellinghouses (Use Class C3) and 1 x commercial unit with associated access, parking, cycle spaces, hard and soft landscaping. Application is made by Bugler Homes Limited	<p>Great and Little Kimble cum Marsh Parish Council object to the application as it is contrary to the approved Neighbourhood Plan.</p> <p>Holly Tree Farm is within the boundaries of Great Kimble but the application is not for any of the 136 new housing units carefully allocated over a detailed 3-year consultation process for the Neighbourhood Plan. The Neighbourhood Plan was reviewed and approved by an independent Planning Inspector and Buckinghamshire County Council on the recommendation of Wycombe District Council. It was then endorsed in a referendum by an 88% vote of the electorate.</p> <p>The application therefore can only fall, if it is to comply with the approved Plan, within the 14 windfall units to be developed in Marsh or Kimblewick and 'elsewhere in the parish'. Windfall units are, however, to be 'developments of 4 units or less on small sites. The application is for seven units and accordingly does not accord with the Neighbourhood Plan. It should therefore be refused' (see para 5.18 Neighbourhood Plan).</p>	15/02/2024            16/02/2024	
22/06883/FUL		<b>Land North West Of Charlottes Farm Marsh Lane Bishopstone Buckinghamshire HP17 8SN</b>	11/09/2022	Change of use of existing agricultural land to form an additional 5 x Gypsy/Traveller Pitches comprising the siting of 1 x mobile home, 1 x touring caravan, parking and amenity per pitch. Creation of turning area and access drive	<p>On behalf of Great &amp; Little Kimble-cum-Marsh Parish Council we strongly OBJECT to this application which should be refused as it is in clear breach of policy DM26 of the 2019 adopted local plan which includes a restriction on any further traveller sites within the area shown at Appendix E of the adopted local plan (page 317) in which the property is located.</p> <p>We also understand Buckinghamshire Council is continuing to take enforcement action with a view land being returned to greenfield status after the recent dumping of horse manure on site.</p>	20/08/2022	<b>Application Refused 12/04/2024 but keeping on here to keep sight of enforcements /appeals etc</b>

24/05749/FUL	16/04/2024	Stable Block at rear, Bonnett Close, Little Kimble, Buckinghamshire	14/05/2024	APPLICATION FOR: Demolition of existing outbuildings and erection of detached dwelling and carport served by existing access	Great and Little Kimble cum Marsh Parish Council object to this planning application as it does not meet the neighbourhood plan and the area is prone to flooding. The Council feel this should be included with the other Laurels	11/05/2024	
24/06171/VCDN	24/05/2024	Land Between Stream And Sunridge Risborough Road Little Kimble	21/06/2024	Re application 21/07072/REM Reserved matters application for access, appearance, landscaping, layout and scale pursuant to outline planning permission 19/08073/OUT for 40 residential units and A1 shop	Parish Council <b>very strongly object</b> to this application to vary the original plan by applying for a variation of condition 28 (use class) which requests a change of use class F2 on the agreed and approved shop and replaces the with use class E. Development is not yet even complete, and so there has been no chance to even test the viability of a shop before asking for the variation, which we believe to be a transparent bid on the part of the developer to increase their profits at the expense of the community. - The variation is presented as if it is a minor change, whereas it would change the character of the development and lower the community value considerably. - We would draw the planning officers attention to the other objections by local people, which we as a council wholeheartedly support	18/06/2024
