Race the trace

Throughout the month of June, we're challenging our five sections and our route wide support team to race the length of the trace for charity!

In September 2021, the Aylesbury Area team raised over £1000 which was donated to The Healthy Living Centre, with a total over £6000 raised for other Buckinghamshire charities.

This year the Aylesbury Area team will be raising funds for the charity Pace, located in the Aylesbury Area. Pace is a specialist charity that is committed to ensuring that children with neurodisabilities have the opportunity to reach their fullest potential in life and can take their place in the world.

Race
the
Trace

The text 'Race the Trace' is displayed in a playful, rounded font. 'Race' is in red, 'the' is in blue, and 'Trace' is in green. Behind the text is a yellow graphic of a fence with vertical posts and horizontal rails, curving across the words.

Job Fayre - Healthy Living Centre

We held a Jobs fayre at the Healthy Living Centre

- We conducted mock interviews and also had a stand to speak to individuals that wanted to find out a bit more about us.
- As a result of this event, we established a partnership with Skill up Bucks. Which is a two-year project funded by the EU to connect employers with local people.
- 'Restart programme' has selected 8 candidates who have been trained on Constructions skills certificate scheme (access to site).
- off the back of this, we are meeting the 8 candidates and will talk to them about available jobs in EKFB today.
